

# Aperi Community Outreach Mid-2007

- Activities under consideration:
  - Web conference
    - Discussed on architecture call May 9
    - Draft of content and proposed dates posted to wiki, mailing list, newsgroup with feedback due from community by May 17
    - Proposed dates of June 11, 15, or week of 6/18
    - Need confirmation or decisions on:
      - Someone to update existing overview slides
      - Identify individuals for demonstrating 0.3 release code
      - Identify user to discuss their use of Aperi (Novell has volunteered)
      - Identify best date and time for webcast (see options above)
  - Discuss LinuxWorld participation (August 6-9)
    - .Org Pavillion is free for OSS projects, and Eclipse will have a 10x10 booth we can staff
      - Depending on participation of other Eclipse projects, we might be limited in booth time
    - Alternative booth space available in Next Generation Data Center expo space
      - Sponsored by SNIA and IDG
      - Co-located with LinuxWorld so all attendees can visit all exhibitors
      - 10x10 booth will cost ~\$5k plus carpeting, Internet, lighting (see speaker notes for details)

# Aperi Web Conference – June 2007
