

Minutes openMDM-SC Call 22.04.2020

Participants: Angelika Wittek (PL), Paul Buck (EF), Josef Hobelsberger (Müller BBM), Gert Sablon (Siemens), Ulrich Bleicher (BMW), Hans-Dirk Walter (Karakun)

As guest: Florian Schmitt (Atos)

1. Paul Buck asked us to respect the Anti Trust Policy
2. Josef Hobelsberger announced that he will hand-over his role in the openMDM community to Andreas Ansoerge, CEO of Müller-BBM VAS because his role as board member of the Müller-BBM Holding requires his full attention.
3. According to the recommendation of the AC the SC decides for the following prioritisation of the next requirements to implement. The prioritisation defines the sequence of things to be done:
 1. Node provider
 2. NVH export
 3. ODS6 adapter
4. The general assembly will be on online meeting at **July, 16th 13:00**. Details of the meeting (conference login data, agenda) will follow.
5. Next SC-Call **May 27th 15:00h**. We will try out MS Teams.
6. openMDM release 5.1.0 is out. Next milestones: BMW contribution and GIT repository clean-up. Then work on node provider will start.
7. OpenADx / openMDM workshop that has to be postponed due to the Corona crisis will take place as online conference at June 17th and June 18th afternoon. Details will be communicated separately.
8. openMDM is interested in joining an automotive day at next EclipseCon. The details of the engagement will be discussed as soon as more details about this workshop will be available. The EclipseCon organisers will try to ensure that the Automotive Day will be not in parallel with the IoT Day.
