

Minutes openMDM SC-Call 14.10.2021

Attendees

- Gert Sablon (Siemens)
- Ulrich Bleicher (BMW)
- Stefan Wartini (Müller BBM)
- Hans-Jörg Kremer (Peak Solutions)
- Angelika Wittek (Toolkit Manager)
- Hans-Dirk Walter (Karakun)

Minutes: Hans-Dirk Walter

Agenda:

1. Reminder Anti-Trust Policy

2. 2022 Program Plan and Budget Process

- Angelika guided through the pre-filled Eclipse Program and Budget Powerpoint Template
- Angelika will distribute the slide deck and members will fill in the required slides until 16.11.2021
- The Program Plan and Budget will be presented at the GA at 24.11.2021

3. Initiatives

- Hans-Jörg is going to arrange a meeting of the whole openMDM working group with the prostep FDX Workflow Forum. Options are 27.10.2021 11.00 or 08.11.2021 14.30. He proposes the following agenda:
 1. Introduction into Eclipse Automotive Top Level Project and Working Group by Michael Plagge (5 minutes)
 2. Report of an openMDM user - Hans-Jörg will ask Ulrich to present (15 minutes)
 3. openMDM Demo by Christian Domrös (15 minutes)
- Hans-Jörg is going to publish an article about "Scenario-based testing with openMDM" on the openMDM web site (news section). Comments are welcome: <https://newsroom.eclipse.org/news/community-news/data-repository-scenario-based-testing-based-openmdm>

4. Next SC Call after GA

Proposed date: 15.12.2021 15:00
