Minutes: Hans-Dirk

Topics

- Anti Trust Policy Notice (Michael Plagge)
- Status contracts 2021
- Status initiatives
- Status Dev
- Set the date for the next SC meeting

State of contracts

New contracts for remaining budget under way

State of initiatives

- openMDM as ASAM ODS associate standard: Walkthrough of proposal with ASAM board member Ralf Nörenberg scheduled for 17.12.2021, next steps afterwards: review by openMDM SC (best before next openMDM SC), then formal application at ASAM.
- no news about other initiatives.

State of development

- log4j exploit: demo shut down and will be restarted after a careful analysis whether openMDM demo affected. log4j is not used explicitly.
- Features by BMW and MTU integrated.
- Next release planned for end of Q1 2022

Next SC meeting 26.01.2022
