Eclipse SDV & partners: Pillars for Scaling Automotive Software

Eclipse SDV - what's ahead?

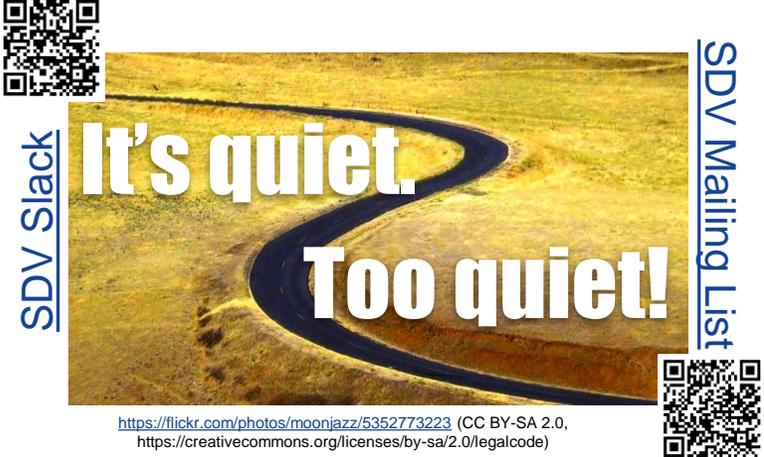

A diagram with a large yellow question mark in the center. The letters 'SDV?' are written in large white font. The background shows a technical sketch of a system with components like 'backend', 'device', and 'added software'. Two QR codes are present: one at the top left and one at the bottom left. Below the top QR code is the link <https://bit.ly/3EvuMvs> [Google Doc Mtg Minutes]. Below the bottom QR code is the link <https://bit.ly/3RV2wWa> [Google Doc Sketch Pad].

Tech alignment

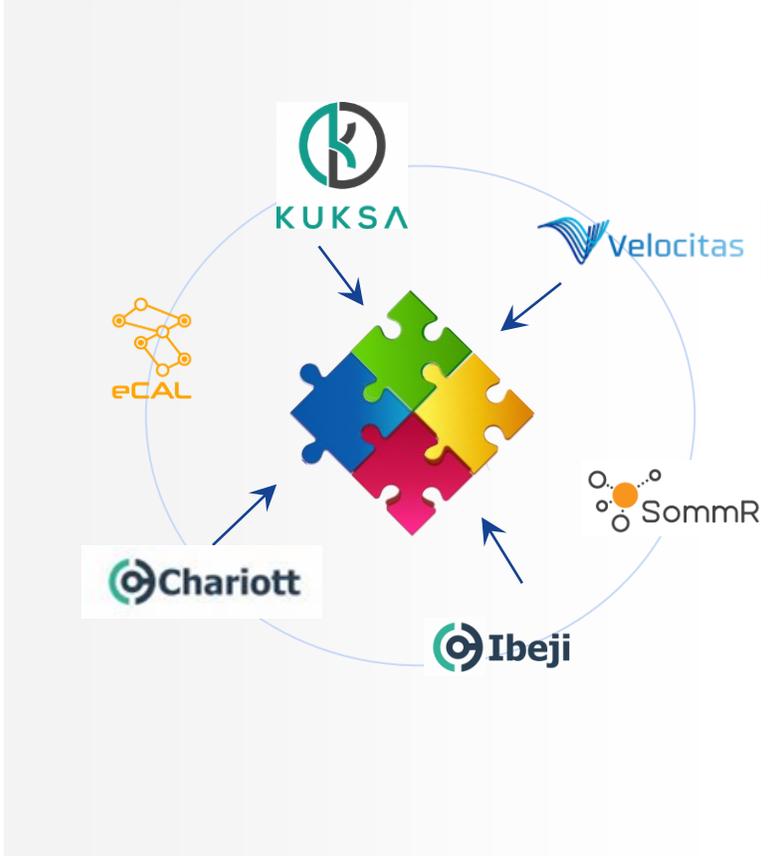

“We are the Eclipse X project!”

“We are the Y company project!”

A photograph of a winding river in a dry, grassy field. The text 'It's quiet. Too quiet!' is overlaid in large white font. Two QR codes are present: one at the top left and one at the bottom right. To the left of the image is the text 'SDV Slack' and to the right is 'SDV Mailing List'. Below the image is the link <https://flickr.com/photos/moonjazz/5352773223> (CC BY-SA 2.0, <https://creativecommons.org/licenses/by-sa/2.0/legalcode>).

Mindset and Visibility

Ecosystem coherence

THANK YOU!
