

Eclipse Aperi Cooperative Marketing Sponsorship Package

The Eclipse Foundation plans to sponsor a booth at the spring 2007 Storage Networking World (SNW) event on behalf of the Eclipse Aperi project to promote the awareness and adoption of the Aperi Storage Management framework. Eclipse Foundation members are invited to participate as co-sponsors of the event.

The Eclipse Foundation will sponsor the event, but the preparation and execution of the event sponsorship will be performed by Eclipse Foundation co-sponsors themselves. In addition, all co-sponsors will be identified as a sponsor and will receive access to all leads generated through the event. The cost for sponsorship covers the cost of rental of appropriate booth space, signage, lead retrieval systems, and other associated event costs.

This document serves as the official document and binding contract for the Eclipse Foundation member companies who wish to sponsor the initiative. Please review and fill in the billing information and sign below.
