

An aerial photograph of a city at sunset. The sun is low on the horizon, casting a warm orange glow over the buildings. The sky transitions from a pale blue at the top to a bright orange near the horizon. The city below is densely packed with buildings of various heights and colors, including a prominent green domed structure on the left. The text 'ERICSSON MODELING DAYS 2016' is overlaid in a large, dark, sans-serif font across the upper half of the image.

# ERICSSON MODELING DAYS 2016
