# BECOMING A COMMITTER

[https://www.eclipse.org/membership/become\\_a\\_member/committer.php](https://www.eclipse.org/membership/become_a_member/committer.php):

You can be an active developer and contributor to the open source Projects without being a "member" of the Eclipse Foundation. Meritocracy: you have to prove your abilities before you can become a committer. All new committers are voted in by the existing committers on a project
